Hospice Partners is a non-profit, state licensed, Medicare and Medi-Cal certified hospice agency providing hospice care to the residents of San Luis Obispo County and northern Santa Barbara County. Our hospice team includes three medical directors (physicians), registered nurses, home health aides, medical social workers, therapists, dietitians, spiritual counselors, bereavement counselors, hospice musicians, trained in-home and office volunteers and office support staff.

Your generosity through sponsorship, donations and support at fundraising events allows us to provide hospice care to all those in our community who need and qualify for hospice, regardless of insurance coverage or ability to pay.
